Windows and Doors

ESWINDOWS

Prestige products meet today's top architectural trends:

- Narrow sightlines
- Superior energy efficiency
- Hurricane resistance
- Custom colors
- Insulating glass and thermally broken aluminum
- Corrosion-resistant hardware for coastal applications

Design. Quality. Luxury.

The Prestige residential line is designed for sophistication and style. Each piece is carefully manufactured and checked for quality, ensuring full functionality and the ultimate end-user experience. These luxury windows and doors are built to the highest specifications to meet our exceptional standards.

Prestige

The Prestige collection was developed in collaboration with leading architects and designers who specialize in modern construction. The result: clean lines and large glass panels.

More than 30 years of experience as a window and door manufacturer has allowed us to develop this premier line of products that meet the highest performance standards. These products are crafted with one purpose: to bring the topmost quality and design to every project.

Prestige Features

Consolidated under a single source warranty
Available in two-tone finish
High performance insulation from efficient spacers
Superior energy performance with low U-values
Reduced sound transmission
Exclusive hardware
Extended warranty
Color or ultra-clear interlayers
Coastal hardware standard

WINDOWS

ES-P252 Casement/Awning/Fixed Window

ES-P252 is an operable out-swing window that offers an unobstructed view and excellent ventilation. This product is ideal for areas that demand high light transmittance and minimal thermal transfer.

System Description

Casement

Small and large missile impact rated
Maximum size: 48" x 84"
Frame depth: 2 1/2"

Awning

Small and large missile impact rated
Maximum size: 42" x 37"
Frame depth: 2 1/2"

Fixed

Small and large missile impact rated
Maximum size: 60" x 144"
Frame depth: 2 1/2"

Features

Single arm operator and multi-point lock
High performance stainless steel four bar hinge or butt hinges
Head receptor, sub-sill and strap anchors available
Thermally broken frame
Flange or equal leg frame

ES-FX2020 Fixed Window

The ES-FX2020 fixed window is a narrow window wall that allows homeowners to achieve a consistent look across the façade next to the ES-SGD2020.

System Description

Large missile impact rated

Maximum size: 60" x 144" panels or 72" x 120" panels

Frame depth: 6 7/16" (3 track), 8 1/2" (4 track)

Features

Fixed window designed to match ES-SGD2020 sliding glass door

Free standing jambs and self-mating mullions

Multiple panel configurations

Removable sill riser painted to match the door

WINDOWS

ES-SW340 Sliding Window

The ES-SW340 horizontal sliding window offers a wide window opening, while providing durability and maximum ventilation.

System Description

Small and large missile impact rated

Maximum size:

OX / XO: 83 15/16" x 63" equal, 92 11/16" x 63" unequal

XOX: 126" x 63"

Frame depth: 3 3/8"

Features

Polyamide rollers with stainless steel housing

Sweep lock

Thermally broken frame

Flange or equal leg frame

ES-H340 Single Hung Window

The ES-H340 is a single hung window that operates vertically and it is ideal for narrow spaces where accessibility and airflow are required.

System Description

Small and large missile impact rated

Maximum size:

O/X: 54" x 78" / 43" x 96" equal, 39" x 81" unequal

Frame depth: 3 3/8"

Features

Ultralift spiral balances

Snap and sweep lock

Thermally broken frame

Flange or equal leg frame

WINDOWS

ES-FX3050 Frameless Window

The ES-FX3050 frameless window is a glass wall that has no vertical aluminum profiles. The result is more glass and an unobstructed view.

System Description

Large missile impact rated

1 1/8" laminated glass

Maximum size: 60" x 144"

Frame depth: 3 3/8"

Shoe height: 4 3/4"

Features

Top and bottom rail options

Multiple module option available

Corner option available

ES-8000T Jumbo Storefront Window

The ES-8000T Jumbo is an impact resistant, thermal storefront system. This product is isolated with pour and debridge for a superior thermal performance. The ES-8000T Jumbo storefront system is compatible with the ES-9000 impact door.

System Description

Large missile impact rated
Maximum size: 84" x 180" in a single frame
Frame depth: 5"

Features

Screw cover
Integral door adaptor
Pre-assembled and pre-glazed
Surface applied ogee or flat muntins
Thermally broken frame
Available with insulating glass

DOORS

ES-46T Swing Door

ES-46T is an out-swing door designed for balconies and open spaces. It pairs easy operation with a sophisticated modern look.

System Description

Small and large missile impact rated

Maximum size for single door: 41 3/16" x 108"

Maximum size for double door with side lites: 160" x 98"

Maximum size for double door: 80" x 120"

Maximum size for double door with transom: 80" x 132"

Frame depth: 4 1/2"

Standard threshold height: 2 1/4"

ADA threshold height: 1/2"

Features

ADA threshold and high bottom rail optional

Multi-point hardware

Thermally broken frame

Sophistication and style

EXPERTISE

Engineering and Design

We specialize in providing solutions for the most complex projects and responding efficiently to the requests of architects and developers. The combination of advanced software technology and a team of engineers and designers who specialize in aluminum, glass, window systems and façades, allows us to ensure delivery of high quality products that meet our customers' needs.

The Prestige line provides customers with the perfect combination of luxury, design and performance across a wide range of product types. Whether you are looking for noise reduction, temperature control, or protection from extreme weather, our line of products can provide the perfect solution, without sacrificing aesthetics.

Service

Our engineers and designers provide ongoing assistance and technical support to ensure the best solution for each type of project. We offer each customer complete and personalized guidance, pointing out the main factors to consider in order to plan and carry out their construction with maximum benefits.
